

**MISSISSIPPI DEVELOPMENT
AUTHORITY
FINANCIAL RESOURCES
AGRIBUSINESS ENTERPRISE
LOAN PROGRAM**

GUIDELINES

The Agribusiness Enterprise Loan Program (ABE), to be administered by the Mississippi Development Authority (MDA), is a loan program designed to encourage the extension of conventional financing and the issuance of letters of credit, by private institutions, to agribusiness enterprises in the State of Mississippi (the State). MDA will provide interest-free loans to qualified borrowers engaged in the production, manufacturing, and processing of agribusiness related goods and services. The following guidelines set out the requirements under the program, and MDA reserves the right to make changes to these guidelines and to waive any restriction not set by statute.

ELIGIBILITY

101.01 Agribusiness

Agribusiness means any aquacultural, horticultural, or agricultural related industrial, manufacturing, research and development or processing enterprise located in the State and owned by a resident of the State.

The agribusiness must be creditworthy and demonstrate the ability to repay the loan and must not have defaulted on any previous loan from the State or Federal Government.

101.02 Financial Institutions

An eligible Financial Institution is any commercial bank, savings bank, federal land bank, farm credit bank, agricultural credit association or other farm credit agency, which is domiciled or qualified to do business in the State.

GUARANTIES

201.01 Each Agribusiness Enterprise Loan (ABE Loan) must be 100% guaranteed to MDA by an eligible Financial Institution.

PARTICIPATION REQUIREMENTS

301.01 An eligible Financial Institution must originate the ABE Loan application for an agribusiness on the form attached hereto as Exhibit C.

The Financial Institution must provide MDA with a Servicing Agreement Letter (Exhibit A) to be accepted upon approval of the ABE Loan.

The Financial Institution must provide, in writing, all required information for the preparation of ABE Loan closing documents.

All closing documents must be properly executed and returned to MDA immediately.

All exhibits to the closing documents must be filed and copies sent to MDA no later than thirty (30) days from the date of closing.

301.02 The Financial Institution may charge an agribusiness a servicing fee, which may not exceed one percent (1%) of the ABE Loan amount. The fee will be a one-time charge collected when the ABE Loan is closed. The fee may be paid directly by the agribusiness, deducted from the ABE Loan proceeds, or financed as part of the Financial Institution's loan.

301.03 The Financial Institution shall also be responsible for collecting and remitting to MDA, at loan closing, a servicing fee which represents one percent (1%) of the ABE Loan. The fee will be a one-time charge and may be paid by the agribusiness, deducted from the ABE Loan proceeds, or financed as a part of the Financial Institution's loan.

The Financial Institution shall be responsible for servicing the ABE Loan, which will include all repayments to MDA.

The Financial Institution will also enforce the terms and conditions of all closing documents executed for the ABE Loan.

LOAN CRITERIA

401.01 ABE Loan proceeds may be used to finance buildings and equipment and for costs associated with the purchase of land (appraisals, title searches, etc.). However, proceeds cannot be used to purchase land.

ABE funds to new or existing poultry farms for the construction of new or additional houses will be governed by terms, conditions, and requirements of Exhibit D.

No loan proceeds shall be used to pay off any existing debt for loan consolidation purposes; to finance acquisition, construction, improvement, or operation of real property which is primarily for sale or investment; to provide or free funds for speculation in any kind of property or as a loan to owners; nor to provide working capital.

401.02 The amount of a loan to any single agribusiness shall not exceed twenty percent (20%) of the total cost of the project or \$200,000, whichever is less. Upgrades for the retrofitting of poultry houses shall not exceed thirty percent (30%) of the total cost of the project or \$200,000, whichever is less. Land purchases will not be considered in the total cost of the project when determining an ABE Loan.

401.03 No interest will be charged on an ABE Loan. Only the amount actually loaned to an agribusiness shall be required to be repaid to the State.

401.04 The term of the ABE Loan shall match the term of the Financial Institution's loan, up to the maximum maturity of fifteen (15) years.

401.05 Disbursements of ABE funds will be made to Financial Institutions on behalf of borrowers after project construction is completed. Requests for payment must be submitted on the MDA Request for Payment Form (Exhibit B).

401.06 All repayments of ABE funds to MDA shall match the repayments of the borrower to the Financial Institution and shall be submitted upon the terms stated in the Lender's Authorization forms.

401.07 If a Financial Institution collects payments on more than one ABE Loan, MDA will allow a lump sum payment on all outstanding loans. An itemized list of the source of funds, including

ABE Loan numbers, must accompany this payment. Financial Institutions must submit all collections for a one-month period by the fifth of the following month.

- 401.08** ABE Loans are subject to an agreement, providing that any and all outstanding obligations may be accelerated and payments called for if, during the term of the loan, any change of ownership or control of the agribusiness concern occurs without the prior written consent of MDA, or if any adverse change occurs without notification to MDA.

PREPAYMENT AND LOAN DEFAULT

- 501.01** The Financial Institution shall notify MDA in writing of any prepayments of the Financial Institution's loan. If the Financial Institution's loan is to be paid in full, the MDA portion of the loan must be paid off first. MDA and the Financial Institution must determine the application of partial payments.
- 501.02** The Financial Institution's Loan and Note is prohibited from being sold, assigned, conveyed, subparticipated, subdivided, encumbered or otherwise transferred.
- 501.03** MDA will consider any loan that has become delinquent, in amount equal to the required annual payment, to be in default.
